

Prenatal Test Results

To enhance patient care and increase physician satisfaction, the following Prenatal Testing results will now be available electronically, effective May 2016. For offices with an EMR, these results will now interface directly into the EMR, instead of being faxed or sent by USPS.

Test	Ordering Mnemonic
Full Integrated Screen Part I	INT ONE
Full Integrated Screen Part II	INT TWO
Maternal Serum AFP (MS AFP)	MSAFP
Quad Screen	QUAD
Non-Invasive Prenatal Testing for Fetal Aneuploidy (Panorama)	PANOR
Non-Invasive Prenatal Testing for Fetal Aneuploidy (Panorama) with Microdeletions	PANORMIC
